**BUILD. GROW.**

Smart hiring solutions for growing companies.

## About Us

Softdroid is a global technology solutions company headquartered in the USA, with offices in the USA, UK, and India. Since 2020, we have been delivering high-impact IT Staffing, Custom Software Development, Cybersecurity, and IoT solutions to government agencies and businesses worldwide. Our client-centric approach focuses on designing tailored strategies that align with unique business goals, ensuring innovation, reliability, and measurable results. Powered by a highly skilled and experienced team, Softdroid consistently drives digital transformation, operational efficiency, and long-term value for our partners across industries.

## Core Capabilities:

### Comprehensive Staffing Solutions:

Expertise in fulfilling Permanent, Contract, and Contract-to-Hire positions across various industries.

### Project Staffing:

Providing highly qualified specialists to support critical internal and client projects.

### Temporary Staffing:

Supplying short-term professionals to supplement or support existing teams.

### Temp-to-Perm Staffing:

Flexible hiring solutions that allow clients to transition temporary staff into permanent roles.

**Delivering Enterprise Business Solutions through innovative technologies**

IT Security, Web Application Development, Business Process Automation, Cloud Computing, and Data Analytics.

### Direct Hire Staffing:

Identifying and placing top talent for long-term positions.

### Advanced Sourcing Tools:

Leveraging job boards, internal databases, social media platforms, and strong industry referral networks to find the best candidates.

## Cutting-Edge Methodologies

- ❑ Agile Development
- ❑ Iterative Development
- ❑ Test-Driven Development (TDD)
- ❑ Waterfall Model
- ❑ Rapid Application Development (RAD)

# DIFFERENTIATORS

**Client-Centric Approach:** We take the time to understand your business needs and deliver the right talent by building strong relationships and accessing the best candidates in the market.

**Extensive Talent Reach:** Using specialized tools and resources, we connect with both active and passive job seekers, ensuring a wider and stronger talent pool.

**Preferred Staffing Partner:** Our proven track record of delivering the right talent at the right time has made us a trusted and preferred vendor for IT workforce solutions.

**Rigorous Screening Process:** Multiple evaluation stages — including qualification verification, credential validation, background checks, and preliminary interviews — ensure only the most suitable candidates are presented.

**Strong Client Retention:** A significant portion of our business comes from repeat clients, reflecting the quality, reliability, and trust we build through our services.
